Harlan J. Berk, Ltd. has presented an innovation in antiquities and numismatics for some time now. The system is simple. When you want an antiquity or coin in the sale, just bid the estimated price by phone or mail. We will send you the antiquity or coin immediately. No waiting for the closing of the sale. Any and all antiquities or coins not sold before the closing date will be sent to the highest bidder on January 17, 1989.

EXAMPLE—You bid estimate on an item valued at \$100.00 and if your bid is the 1st to reach us, you will receive the item immediately. If on the other hand, you bid \$75.00 on the same item and are still the high bidder at the end of the sale, the item will be mailed to you on the closing date, January 17, 1989.

If you are ever in the area, stop in and see us! Of course, it's best to call first.

PORTRAIT HEAD OF YOUNG WOMAN - Marble

Late 1st Century A.D.

Roman Empire - found at Bir M'cherga near Thuburbo Majus, Carthage, Tunisia - Height 11 inches. Head is turned slightly to left. Facial features, sensitively rendered with delicate cheeks, small mouth, detailed eyebrows and clear eyes, only nose is damaged. The less-finished ears and hair are typical of the "impressionism" current about the time of Titus in Roman Imperial art. The unfinished back indicates this statue was placed in a niche, possibly as a funeral portrait. . POR
